find this verse

Pharaoh, king of Egypt, had his mind made up. He was NOT going to allow his Hebrew slaves to go free.

Moses asked many times for their release, but the king's answer was always the same - "No!" He refused to pay any attention to what God was saying to him, through His servant Moses.

Who was the king of Egypt? P _____

Who was God's servant? M _____

God gave Moses and Aaron power to do wonderful things. Aaron's rod turned into a snake - and then back into a rod! This was proof to Pharaoh that God is all powerful, and that God had really sent Moses and Aaron to him.

But still the king would not listen to God. His heart became very hard and stubborn.

Because he would not obey, God sent a dreadful punishment upon him and his people. We call it 'The First Plague'. (Later, there were NINE other plagues!)

The water of the great River Nile, which flows through Egypt, turned into blood. All the fish died, and the smell was terrible! Worst of all, the people could not drink the water. Blood was everywhere throughout Egypt for a whole week!

Cross out the **WRONG** words in these sentences.

The river of Egypt is called the **Nile / Rhine / Amazon**.

All the **Snakes / Birds / Fish** died in the first plague.

The Egyptians had great difficulty finding **Bread / Water / Corn**.

Time after time, Pharaoh refused to set the Hebrew slaves free. God showed His great power in a series of 'plagues' or 'judgments'. Even then, Pharaoh would not listen when God spoke to him through Moses and Aaron.

Write ONE word to answer each question.

Who would not listen to God? P _ _ _ _ _

What is another word for 'plagues'? J _ _ _ _ _

God told Moses that one last dreadful plague was coming. The first-born in every family in Egypt would die in one night! Every family, from the richest to the poorest, would be affected.

Imagine the tears and grief that there would be, throughout the whole country!

Unscramble the letters, and write the words in the spaces.

In the last **lpguea** _ _ _ _ _ , the
sitr f - nbor _ _ _ _ _ - _ _ _ _ _ in every
limfya _ _ _ _ _ would die.

	6
--	---

Why was God going to do this? The answer is that Pharaoh was stubbornly disobeying God! There's a warning here for all of us. When God speaks to us, we should listen and obey.

God also told Moses how the Hebrews (or Israelites) could be saved from dying in the plague. Each family was to take a year old lamb, kill it and put its blood on the two side posts, and on the top post of their door frame.

They were then to stay in their houses until morning. If they remained indoors, as God told them, they would come to no harm, for God's promise was, "When I see the blood, I will pass over you." (**Exodus 12: 13** - This is the **Key Verse**.)

On this door frame, mark the places where they were to put the lamb's blood. (Use a red pen, pencil or paint).

God, as always, was true to His promise. That night, many Egyptians died, but the Israelites were saved. In each Hebrew family, the first-born lived because the little lamb had died instead.

This story helps us to understand that because the Lord Jesus died, we can live with Him forever in Heaven, if we trust in Him!

The Bible tells us that,

“While we were yet
sinners, Christ
died for us.”

Romans 5: 8

Colour the words.

For the Israelites, the long years of slavery were over. They had a special meal of roasted lamb, and other things. They were ready to leave Egypt, just as soon as Moses gave the word. The final plague brought great sadness to the Egyptians, but great happiness to the Israelites.
