## Lesson No. 1 - God gives food to the Israelites

*You can read this story

*John 6: 35*  
Ask somebody to help you  
find this verse

How good God had been to the Israelites! It's hard to believe that soon they were grumbling. They had eaten all the food they had brought with them, so they complained to Moses. They told him that they wouldn't have been hungry if they had stayed in Egypt.

What a pity they couldn't trust God to help them! He had a special plan to see that His people would always have food to eat.

God explained to Moses how He would send bread from Heaven. The people were to gather it each morning.

On the sixth day of the week they were to collect twice as much, to last them for the Sabbath day (God's special day). Each evening, God would also give them meat. (See verse 13.)

**Bibletime**

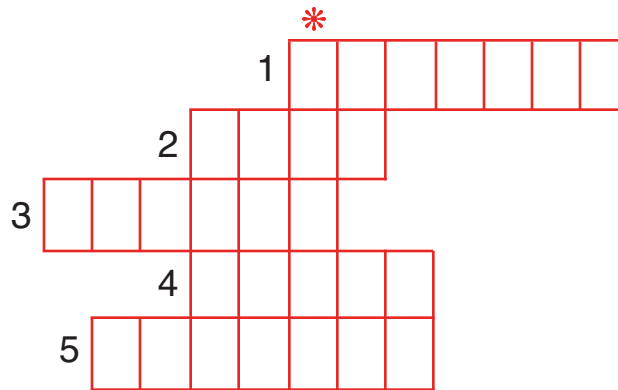

The next morning the people were puzzled by what they saw. Thin white flakes like frost lay on the ground. Moses explained that it was special bread from Heaven. Everyone was to gather what was needed for the people living in his tent. No one was to keep any until the next day.

Sadly some people did not do as God commanded. Those people who tried to keep it, found it had gone bad by the next day.

The people called the special bread 'Manna'. It must have been good to eat because the Bible says it tasted like honey! God sent the manna to the Israelites for as long as their journey lasted.

Years after this took place, Jesus explained that He is the Bread of Life who came down from Heaven. The manna kept the Israelites alive when they were travelling through the desert. The Lord Jesus came down from Heaven to die for our sins so that we can have eternal life. When we trust in Him, we can be sure that He meets all our needs.

“I am the Bread

Soon the Israelites had another problem. An enemy army, called the Amalekites, started attacking them. The Israelites would have to fight back, so Moses told his helper, Joshua, to choose an army.

Moses, Aaron and Hur went to the top of a hill overlooking the battlefield. Moses took the rod of God which he held up between his hands. This was a way of showing that the Israelites were trusting God to help them win.

As long as Moses did this, the Israelites were winning, but when his hands dropped, the enemy was winning. If you held both hands above your head for a long time you would feel your arms becoming tired!

So did Moses, but Aaron and Hur found a big stone for him to sit on. They helped to hold up his arms till sunset. By that time the Israelites had won!

Moses had the most important part in the battle - more important than Joshua or all the soldiers. The battle was won because he was lifting up his hands to God, depending on God for help. God gave the Israelites victory because they trusted in Him.

**WHO?**

Who chose the army?

Who held up God's rod?

Who held up Moses' arms?

and

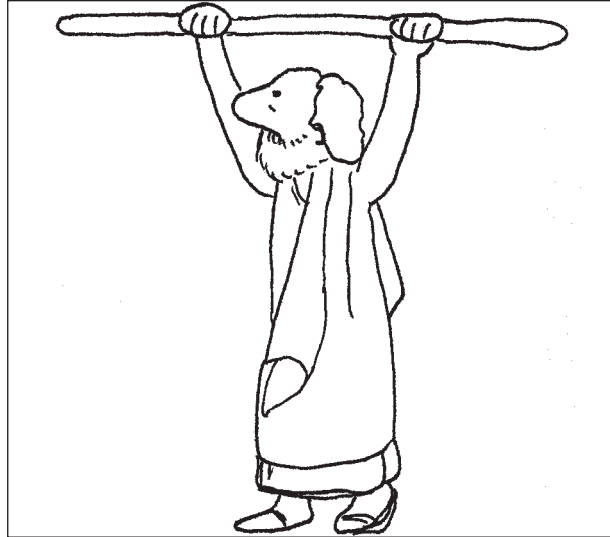

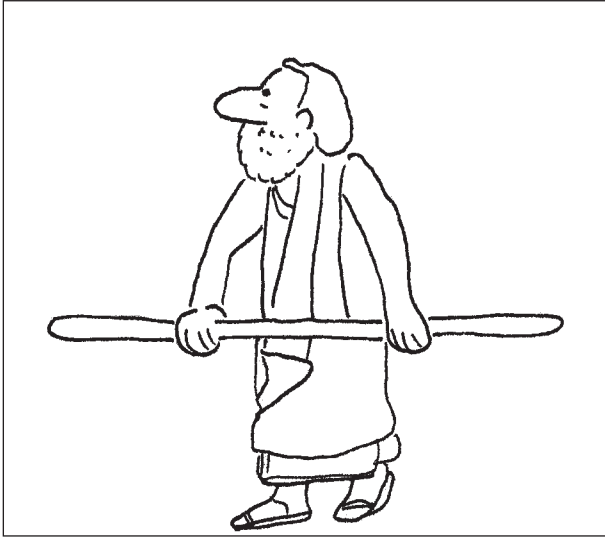

Who was the enemy?

Who gave the Israelites victory?

Write each sentence under the correct picture.

The Israelites were winning.

The Israelites were losing.

Christians have an enemy too - Satan. But the Bible tells us that the Lord Jesus is more powerful than Satan. God wants us to show that we are trusting in Him for victory over Satan. We can do this by praying to God, believing that He will help and protect us.

At the end of the story, Moses built a stone altar to thank God for the victory.

What did Moses call the altar? Discover its name by leaving out the letters **X** and **Z**. Write out the name below the picture. (The answer is in the **Key Verse**.)

After some more travelling, the people came to a large mountain called Sinai, where they set up camp. This was the place where God would meet with Moses to give him commandments, or rules, for all the Israelites to keep.

God explained that He would come down in a thick cloud to the top of the mountain. Moses was to place marker stones around the bottom of the mountain so that none of the people would start to climb it. Even though the people had washed and prepared themselves, no one could come close to God, as He is holy and sinless.

Three days later, the people stood at the foot of the mountain. It was a very frightening sight as the mountain shook and smoke poured from it. God was showing the people just how powerful He is. Then God called for Moses to come up.

Again, God told Moses to make sure that no one else tried to come up the mountain. The people were kept at a distance from God because of their sin. Our sin also keeps us away from God.

Draw a line from each box to the correct words and phrases.

**The People**

*at the top of the mountain*

Later on, Moses went up the mountain to receive God's commandments. These taught the people how they were to treat God and how they were to act towards each other.

The people were unable to keep God's commandments. We are all sinners and have broken God's commandments. No matter how hard we try, we still sin and cannot please God.

The Lord Jesus is the only Person who lived a perfect life on earth. Because of this, He is able to be our Saviour. He died to take the punishment for our sins, so that God can forgive us and we can have peace with Him.

Were the Israelites able to keep the commandments?

Are you able to keep God's commandments?

Did the Lord Jesus keep all of God's commandments?

# Lesson No. 4 - God gives salvation

21: 4-9**

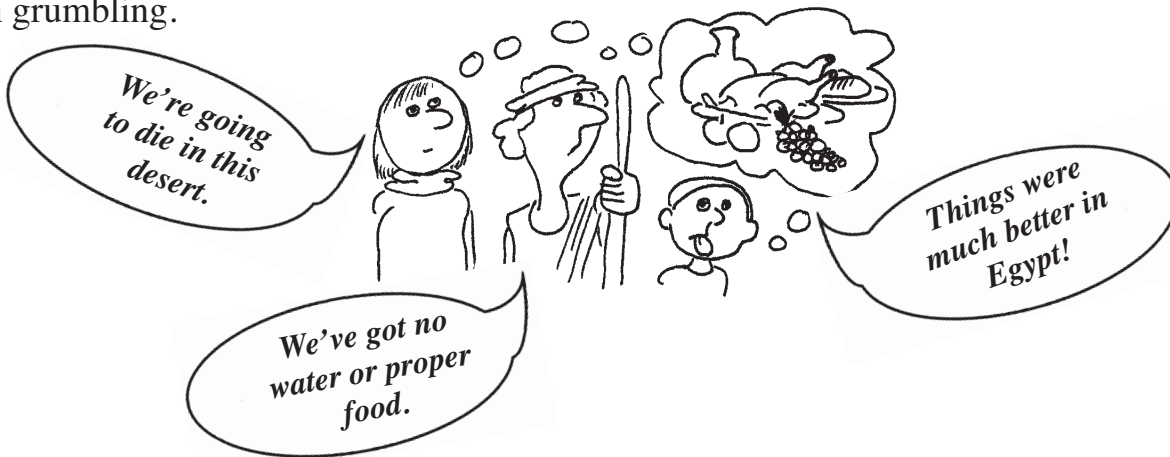

**Key Verse**

**John 3: 14**

(Jesus often called Himself  
'The Son of Man'.)

The Israelites had been travelling through the desert for a long time. Sadly, they kept on grumbling.

God was still giving them manna. How ungrateful they had become! God was angry at the things they were saying, so He decided to punish them.

Soon the camp was invaded by poisonous snakes which bit the people causing many to die. The people knew it was their fault, so they came to Moses. "We've sinned against God", they said. "Please pray to God to take the snakes away."

Moses prayed to God. God told Moses to do a strange thing. He had to make a snake from bronze (a kind of metal) and put it up on a pole in the camp.

**Put the sentences from the story in order by numbering them 1 - 5. Number 1 is done for you.**

- ☐ Many people died.
- ☒ **1** The Israelites grumbled about food and water.
- ☐ God told Moses to take a pole and put a bronze snake on it.
- ☐ God sent snakes to bite them.
- ☐ The people asked Moses to pray to God.

God promised that anyone who had been bitten would not die if he looked at the snake on the pole. Everyone who believed this and did as God said, lived. What an easy way to escape death!

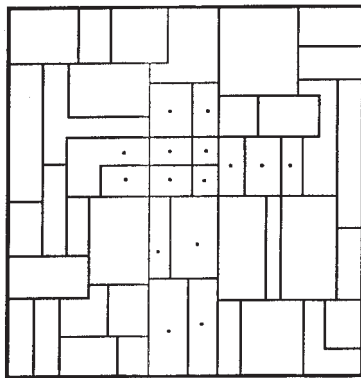

**Join the dots to make the snake, and complete the sentence.**

To escape death, the Israelites had only  
to I \_ \_ \_ at the snake on the pole.

Years later, the Lord Jesus explained how this story teaches everyone an important lesson. Like the Israelites, we too have sinned against God. But God has provided a way by which we can escape the punishment for our sins. The Lord Jesus was “lifted up” to die for us. When we believe this for ourselves, God gives us eternal life, and we are saved!
