Lesson No. 1 Joshua - Leading the People

Joshua 1: 1-11

Joshua 1: 9

<u>Fact</u>	<u>File</u>
<p>What was his name?</p> <p>_____</p> 	<p>Who was his father?</p> <p>_____</p> <p>What was his first task? (Verse 2)</p> <p>_____</p> <p>_____</p>

Changing classes, or even schools, or moving house is always exciting, but also rather frightening, because we can never be quite sure what will happen in a new situation. It was just like this for Israel's new leader.

Complete the Fact File.

	3
--	---

Why did the Israelites need a new leader?

	1
--	---

God made a promise to the new leader about the land into which he was to lead the people.

Fill in the missing words to discover where it was.

Euphrates / Desert (or Wilderness) / Jordan / Lebanon

All the people will cross the River _____ and enter into a new land which I will give the Israelites. It will extend from the _____ and _____ to the great river, the River _____ .

	4
--	---

Take the first letter of each object to find the name given to this new land.

(Check your answer by looking at Deuteronomy 32: 49.)

	1
--	---

God made another promise to Joshua which must have made him feel much more confident as he thought of what he had to do.

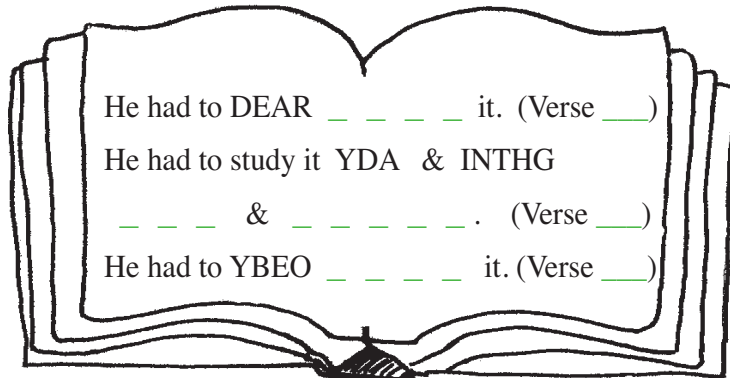

Finish writing the promise from verse 5 of the Bible Reading in the speech bubble.

As I was with _____

	2
--	---

God gave Joshua another command as he prepared to move into the new land. He told him that he must always have the Book of the Law as his guide. When we follow the Lord Jesus as Christians, and go the way He wants us to, we please Him. We must always allow God to guide us through His Word, the Bible. What God said to Joshua about His Law, is the same as what He says to Christians about the Bible.

Unscramble the words to discover the three things Joshua had to do, and add the verse numbers where these words occur.

God had given to Joshua the tremendous task of leading the people into a new land. To encourage him, God repeated His promises to him.

	6
--	---

Write out the Key Verse to see what they were.

	2
--	---

Many Christians keep these words as a 'motto' and often repeat them as a help in difficult times. Why don't you learn them yourself?

Joshua now issues the marching orders.

Circle the correct number of days before they would cross the River Jordan.
