Lesson No. 1 Paul in Philippi

Acts 16: 9-40

Acts 16: 31

Suggested Further Reading

Romans 10: 8-13

Paul and his companions continued on their travels and eventually came to Troas. In Troas, Paul had a night vision from the Lord in which he saw a man standing and pleading with him.

What did the man say?

	1
--	---

Immediately, Paul and his companions set out for Macedonia, certain that God was calling them to preach the Gospel there. This was Paul's first visit into Europe. It was a big step for him to take, to enter a new continent with the Gospel of Jesus Christ. Maybe this is why God spoke to Paul about it in such a special way. Paul came to Philippi. He went to a place at the riverside, where some women were meeting for prayer. Paul and his friends sat down and spoke with them.

Who was the first person to respond to their message?

	1
--	---

Why did she respond?

	1
--	---

She was already a 'worshipper of God', but now Paul explained to her about the Lord Jesus, and she gladly accepted Him as her Lord and Saviour, as did the members of her household.

How did she, and her household, show that they were now believers in the Lord Jesus?

	1
--	---

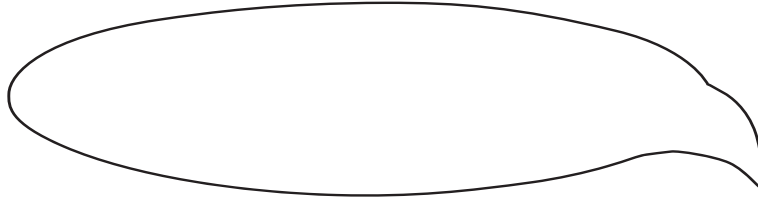

The next person we read of is a completely different sort of person.

How is she described?

	2
--	---

She followed Paul and those with him for many days, shouting after them.

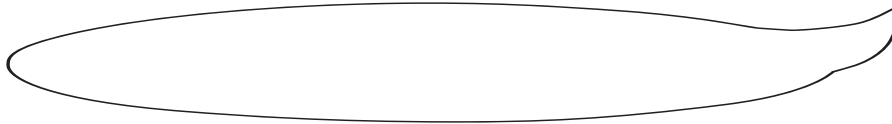

What did she shout?

	2
--	---

Paul was upset but not deceived. Despite the words the girl said, Paul knew that she was possessed by an evil spirit and that it was this spirit who recognized who they were. Eventually, Paul turned around and spoke directly to the spirit.

What did he say?

	2
--	---

There is power in the name of Jesus Christ. The evil spirit had no choice but to obey.

Her masters (owners) were motivated by greed. All they wanted was to make money. They wanted revenge on Paul and Silas and falsely accused them before the magistrates. The magistrates saw that the crowd was on the side of the girl's masters. **What did the magistrates command to be done?**

	1
--	---

Put the following statements in the correct order by numbering them 1 to 7.

(No. 1 is done for you.)

- Paul told him they were all still there.
- At midnight, Paul and Silas were praying and singing praises to God.
- The doors flew open and every prisoner's chains fell off.
- The jailer rushed in and fell trembling at the feet of Paul and Silas.
- 1** The jailer put Paul and Silas in the inner cell (prison).
- A tremendous earthquake shook the prison to its foundations.
- The jailer drew his sword to kill himself.

	3
--	---

The jailer realized a miracle had happened. God had not only caused the earthquake but in addition had opened all the prison doors and unfastened every prisoner's chains.

What did the jailer ask Paul and Silas?

	1
--	---

What reply did he receive?

	2
--	---

However, that wasn't all that Paul and Silas said. **Write out verse 32.**

	2
--	---

That night the jailer and his whole household believed and were saved! Without any delay they were all baptized. (In the Bible, baptism always followed conversion.)

How did the jailer and his family feel about their new-found faith in God? (See v. 34.)

Lesson No. 2

Paul in Thessalonica and Berea

Acts 17: 1-14

Suggested Further Reading
1 Thessalonians 2: 1-8

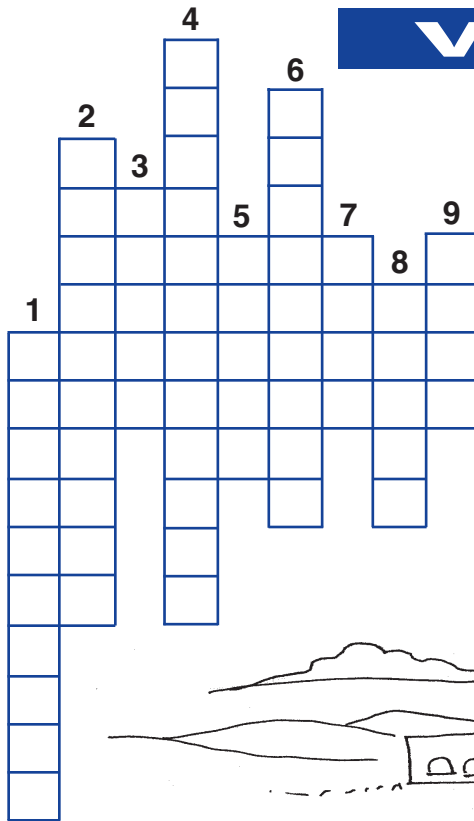

Acts 17: 11

Please put your name here

After passing through a few cities, Paul came to Thessalonica, which was situated at the crossroads of the main east-west and north-south highways. Paul's stay in this city appears to have been very short.

WORD GRID

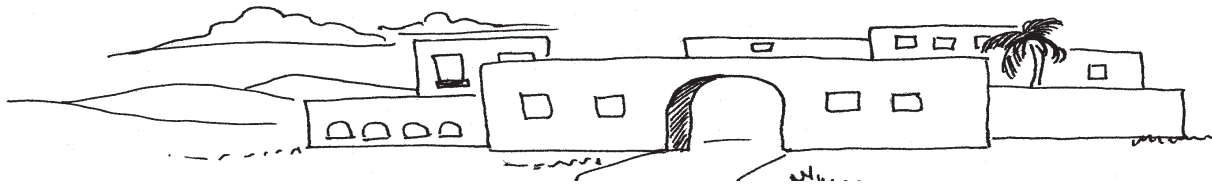

Clues

1. One of the places which Paul passed through.
2. Paul discussed these with the Jews.
3. The crowd attacked this man's house.
4. The first town where Paul stopped, in the Bible Reading.
5. One of those who stayed on in Berea.
6. Paul went as usual to this building.
7. The crowd claimed Paul was trying to set Jesus up as another _____.
8. The believers sent Paul and Silas away from Thessalonica as soon as it was _____.
9. Paul argued that Christ should rise from the _____.

Colour in the name of the other place through which Paul passed. (It is written across the Word Grid.)

	10
--	----

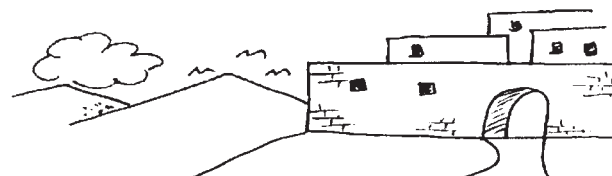

From their reading of the Old Testament, the Jews must have been expecting the Messiah, (the Christ). However, the idea of a Messiah who would die was strange to them. Paul used the Old Testament to prove that this had to be so, and he went on to show that Jesus had fulfilled all that had been written about the suffering Messiah. Therefore, Jesus was indeed the Christ, or Messiah. Some accepted the truth of this, and became Christians.

A short time later, Paul wrote a letter to these new Christians. We call it '1st Thessalonians'. How does he describe the newly formed church? (1 Thessalonians 1: 1)

	2
--	---

Having established a church in Thessalonica, Paul had to leave the city rather hurriedly. As usual, the unbelieving Jews stirred up trouble, the reason being that they were jealous.

How did these jealous Jews set the city in an uproar?

	2
--	---

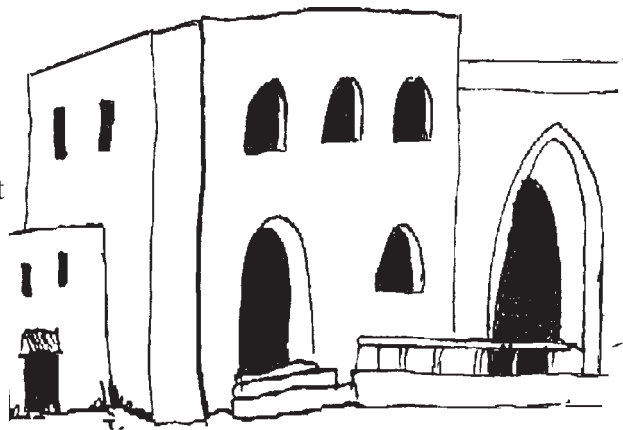

Write out what they said about Paul and his companions.

	2
--	---

Apparently, the Jews thought that Paul and his friends were in the house of Jason. Perhaps this was where Paul was living while in the area. Jason and other believers were dragged out and falsely accused.

Since Paul was not present, the rulers were limited in what they could do. They let Jason and the rest out on bail, on the understanding that the bail money would be given back to them if there was no more trouble in the city.

Paul left Thessalonica and pushed on further into Macedonia, coming to the town of Berea.

How did the Jews in Berea react to Paul's words?

	2
--	---

This should be our response to the preaching of God's Word also. We should be eager to listen, our minds and hearts ready to receive the Word. We should daily feed on the Word of God (Joshua 1: 8) by reading our Bibles. Such an earnest searching of the Scriptures could only result in many believing - as at Berea. If we search the Scriptures desiring to know the truth, then we will find the Truth - the Lord Jesus Christ Himself - and true faith will follow.

Once again, Paul had to leave in a hurry. Why?

18: 1-18*

Suggested Further Reading
1 Corinthians 2: 1-5, 15: 1-4

Acts 17: 30 & 31

In Athens, Paul found the worship of idols worse than anything he had experienced before. The city had a reputation for culture and philosophy but this had evidently led them into spiritual darkness, away from the true God.

Paul was greatly stirred in his spirit and began presenting to the people the truth about the Lord Jesus and His resurrection.

Which two groups took Paul to Mars' Hill? (or Areopagus)

	1
--	---

The sermon Paul preached there was to those who knew nothing of Christ. Paul referred to one of their altars which he had seen.

What was the inscription on this altar?

Paul continued by talking about the Creator God and then he moved on to more personal matters.

Look at the **Key Verses**.

What does God now command?

	1

After this, Paul went to Corinth.

What did Paul have in common with Priscilla and Aquila that made him stay with them?

	1
--	---

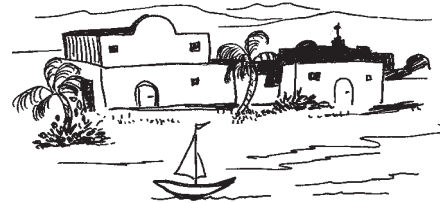

How did the Jews in Corinth react to Paul's message?

	1
--	---

What was Paul’s response to this?

	1
--	---

However, there were many converts, both Jew (eg. Crispus and his household) and Gentile (eg. Justus), who believed and were baptized.

Once again, God spoke to Paul in a night vision.

As a consequence of what the Lord said, what did Paul do?

	1
--	---

God was giving the people of sinful Corinth a wonderful opportunity of being saved. Today He is giving you a similar opportunity. Make sure you don’t waste it!

You should note what Paul later wrote to them:-

“I determined not to know any thing among you, save Jesus Christ, and Him crucified . . . that your faith should not stand in the wisdom of men, but in the power of God.” (1 Cor. 2: 2 & 5)

Suggested Further Reading
Ephesians 2: 1-10

Ephesians 2: 8 & 9

Please put your name here

Ephesus was a city dominated by the worship of the goddess Diana (Artemis). The temples dedicated to her were full of vice and corruption. The apostle Paul had visited this city at the end of his second missionary journey. Now, some time later, he returned as he had promised he would, if it was God’s will. (See [Acts 18: 19-21](#).)

Upon arrival, Paul found twelve disciples, who had not heard the whole story of the Lord Jesus Christ. Paul asked them several questions about what they believed.

Write out the questions and the answers they gave.

- Q. _____ ?
- A. _____ !
- Q. _____ ?

Paul then explained to them that this baptism was different from Christian baptism. John the Baptist had pointed people forward to the Lord Jesus, who was then yet to come. Now the Lord Jesus had not only come but had done everything necessary to put away our sins. These men at once put their faith in Christ and showed this by being baptized in the Name of the Lord Jesus.

The special miracles performed by Paul in Ephesus are specifically stated as being by the power of God. (See v. 11.) When certain Jews tried to copy Paul they were unsuccessful.

Read carefully what Demetrius said to his fellow craftsmen in verses 24-27.

What was their reaction to Demetrius’ words?

	2

In spite of all the opposition, the Word spread far and wide. Jews and Greeks throughout all Asia heard the ‘Word of the Lord’ and many were saved. (See v. 10.)

The Key Verses tell us how they received this great blessing. Write out the Key Verses.

	2

Ephesians chapter 2 is worth studying, if you want to be sure about salvation. Because the Ephesian Christians were sinners like us, they are described in the early verses (vs. 1-3) as being dead as far as God is concerned. However, by faith in the Lord Jesus they were made alive and brought into the blessings of salvation. Paul said that good works cannot save, but faith in Christ can. (vs. 8 & 9) Good works are then a proof of salvation. (See v. 10.)
