Key Verse *Exodus 14: 13*

The Israelites lived in Egypt for a total of 430 years, to the very day. (Exodus 12: 40 & 41) Now Moses had led them out of Egypt, on the night of the Passover, but that was not the end of the story. In fact, it was the beginning of a new era in the life of the Israelites. But their troubles were not over! They had escaped from their slavery in Egypt, but their old taskmasters were not letting them go that easily!

It is the same when we become Christians. We start a new life under the control of a new Master, the Lord Jesus. But Satan does not give up on us easily. He wants to drag us back to our old way of life, but with God's help we can gain the victory. God did not lead the Israelites to the Promised Land by the shortest route, as this would have taken them through the land of a certain hostile nation.

What was the name of this nation? _____ 1

Describe IN YOUR OWN WORDS why Pharaoh decided to pursue them.

2

The Israelites made a big mistake when they began to panic and stopped trusting the Lord who was leading them. They looked in horror at the fast approaching Egyptian chariots and horsemen. They forgot all that God had already done for them. They convinced themselves that they were all about to die. They turned on Moses and blamed him for the danger they were in.

How often we are guilty of making similar mistakes when we doubt the Lord's care and forget all He has done for us. We think there is no way through the latest crisis or problem and we look around for someone to blame.

In the Key Verse, what did Moses tell the people to do?

2

What did God tell Moses to do?

1

Moses told them that the Lord would fight for them.
In which verse did the Egyptians acknowledge that this was true? Verse

1

By the end of the chapter, all the Israelites were safely across the Red Sea, and all the Egyptians who had been following the Israelites were dead.
When this happened, what effect did it have on the Israelites?

2

God wants us to realize that if we belong to Him, He will use His power to help us when we are in difficulties. We need not be afraid because we can count on His presence and help.

The Israelites' first three months of freedom were certainly eventful. First of all, there was the miraculous crossing of the Red Sea and the death of the Egyptian army. After that, Moses and the Israelites sang a song of praise and thanksgiving to God before moving on. For three days they found no water and when they eventually came to Marah, the waters were bitter and they could not drink them. Again, God performed a miracle through Moses and made the waters sweet. God also provided them with food in the desert. Then the Amalekites came to fight the Israelites, but with God's help the Israelites won. (Exodus 17)

We now come to a very important part of the journey when they came to Mount Sinai and God gave the Ten Commandments to the people.

They are written, in brief, below. Put them in the correct order:-

Do not steal. *Do not murder.* *Have no other gods before Me.* *Do not make any idols.*
Do not commit adultery. *Do not misuse the Lord's name.* *Do not covet.*
Remember the Sabbath day to keep it holy. *Honour your father and mother.*
Do not give false testimony.

Look at Matthew 22: 37-40 and write down what the Lord Jesus said is the greatest commandment.

2

Moses had to prepare the people for a very special event, which was to occur three days later. The Lord was going to come down in the sight of all the people on Mount Sinai. No one was allowed to touch the mountain. If they did they would die. The mountain was set apart as holy because God was going to descend upon it. His very presence made the mountain a sacred place.

On the morning of the third day they witnessed such great and awesome events that they actually trembled with fear.

What did Moses say to them in the second Key Verse?

1

The 'fear of God' here means a reverence for God because of His holiness and His power. We can all too easily lose sight of just who God is. God has not changed. One day He will display His great power and might and holiness to the whole world and everyone will bow before Him. But God wants our obedience and worship now. We can only obey Him, and please Him, if we have trusted the Lord Jesus as our personal Lord and Saviour.

In Exodus 24, the Lord called Moses to come up to Him on the mountain so that He could give him the tablets of stone, with His laws written upon them. So Moses set out with Joshua his helper, leaving Aaron, Hur and the elders in charge of the people. When Moses went up on the mountain, the cloud covered it and the glory of the Lord settled on Mount Sinai. The Lord called to Moses from within the cloud. Moses stayed on the mountain forty days and forty nights. It seemed a long time to the people who were waiting below.

The book of Numbers tells the story of the Israelites during almost forty years from the time they left Mount Sinai until they reached the eastern border of the land that God had promised to give them. It records how they were often afraid and discouraged when hardship came, and how they often rebelled against God and Moses. It highlights God's faithful, persistent care for His people in spite of their weakness and disobedience. It also shows Moses' devotion to God and to His people.

After their victory against the Canaanites, the Israelites continued on their way. You might have expected them to be pleased and happy, but such feelings didn't last long!

What was their attitude when they reached Mount Hor?

1

They spoke against God and Moses.
What did they say?

2

The Israelites frequently grumbled and complained.

Look up Philippians 2: 14 and write out what a Christian's attitude should be.

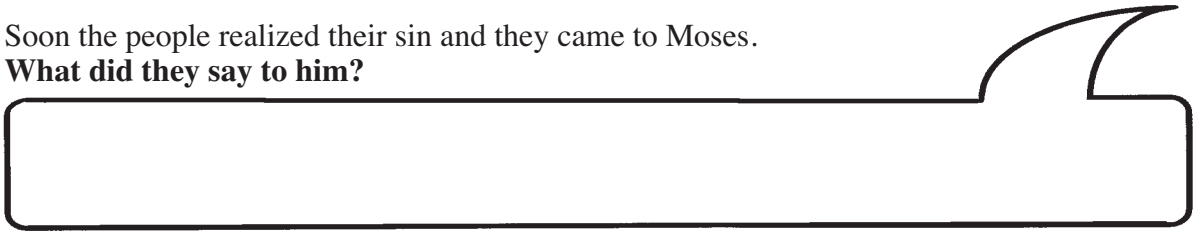
2

On each previous occasion, God had provided for the Israelites what they had needed, although He was not pleased with the way they grumbled and complained.

However, on this occasion, they really had nothing to murmur and complain about. Indeed, they were complaining about what God had provided for them, saying it was not to their liking.
In what way did God punish the Israelites for this?

1

Soon the people realized their sin and they came to Moses.
What did they say to him?



2

When Moses prayed to the Lord about it, He told him what to do.

Explain IN YOUR OWN WORDS what God told Moses to do, and what the people had to do.

2

Now look at the Key Verses. These verses are telling us that just as the serpent was lifted up in the wilderness for the saving of the dying Israelites, so for our salvation there had to be another 'lifting up'.

Who was it who was 'lifted up' for our salvation?

1

Write out the Key Verses which show this.

1

If the Israelites wanted to be healed from the snake bites and live, there was only one way – God's way. If we want to be healed from our sin and have eternal life, there is only one way for us, too - God's way! This is by believing on the Lord Jesus who died on the cross for us.
