

We, too, should do whatever the Lord Jesus asks of us. When we do so, we are being:-

If a=1, b=2 etc, break the code and write in the word.

15/2/5/4/9/5/14/20 \_ \_ \_ \_ \_ to Him.

	1
--	---

We show that we love God by doing what He tells us. If we don't even try to obey God's commands, we show we do not love Him. We can only call ourselves His followers and His friends if, having trusted in Him as our Lord and Saviour, we obey Him.

Write out the two Key Verses, and UNDERLINE the key word in EACH verse.

Who is speaking in these two verses?

	1
--	---

How do we know what God wants us to do?

**1** By reading the Bible. The Bible is God's Word to us.

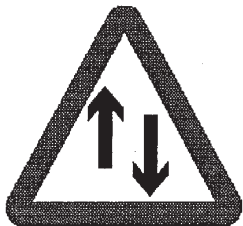

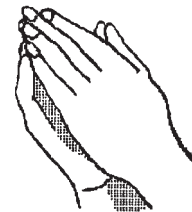

What does Psalm 119: 105 say?

	2
--	---

In the Bible God instructs us, and guides us in all circumstances in our lives.

**2** By praying. Prayer is speaking to our Father in Heaven.

God speaks to us through the Bible. We speak to Him in prayer as we tell Him about our problems and needs. This 'two way' communication is very important in a Christian's life. As Christians we can't hope to obey God in our lives unless we are prepared to read the Bible each day and pray regularly, so that we can know what God wants us to do.

Write out the first part of Psalm 86: 11 and make it your prayer for this study.

Mark 10: 52

Mathew 4: 18-22   Ephesians 6: 10-18   Colossians 3: 8-17

In the days of the Lord Jesus, no help was given to people who were born blind; few cared for them, and they were left to beg for whatever they could get in order to survive. We ought to be thankful for our sight and caring of those who are not as fortunate as we are.

Here is a map of part of Judea, around the Dead Sea, or the Salt Sea as it was then known. Nothing can live in the Dead Sea because there is so much salt in it.

Fill in on the map:-

- The name of the river. (See the last lesson - it's the same river!)
- The name of the town where Jesus performed this miracle.
- The capital city of Judea.
- The town where Mary, Martha and Lazarus lived. (See John 11: 1.)
- The town where Jesus was born.

### WORD SEARCH

Circle the answers to the following clues in the Word Search, AND also write them below. You will find them written across, down, up, diagonally, forwards or backwards.

Look up Psalm 145: 18 and write it out. Then **UNDERLINE** the repeated phrase.

	2
--	---

This was certainly true of Bartimaeus. It can be the same for us too!

The Lord Jesus heard Bartimaeus and called for him.

Fill in the question which the Lord Jesus then asked, and the answer which Bartimaeus gave.

Jesus asked

?

Bartimaeus replied

!

	2
--	---

The Lord Jesus was pleased that Bartimaeus had been so determined to get to Him. Now his answer proved that Bartimaeus really believed the Lord Jesus could make him see.

Write out the Key Verse.

	2
--	---

What a difference the Lord Jesus made to Bartimaeus. His darkness was gone! Now he could see!

Look up and write out John 8: 12, and discover the new kind of life we live if we follow the Lord Jesus.

	2
--	---

What did Bartimaeus leave behind when he came to Jesus?

--

	1
--	---

We could say that Bartimaeus' cloak represented his old way of life. When we follow the Lord Jesus we **MUST** leave behind our old way of life, with its sinful habits and ideas, and follow His teaching and example.

Write **IN YOUR OWN WORDS** a reason why Bartimaeus followed Jesus.

## Miracles - Ten men with Leprosy

*Luke 17: 11-19*

Suggested Further Reading  
 2 Kings 5      Mark 1: 40-45      Phillipians 4: 6 & 7

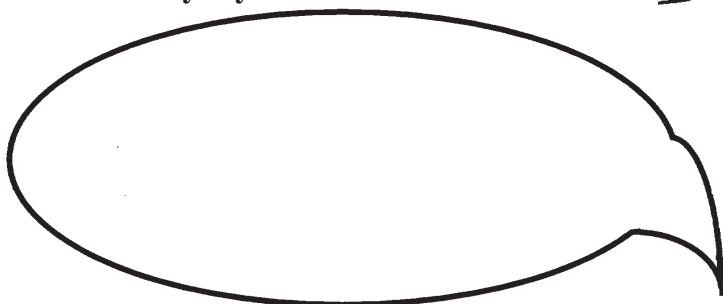

*Ephesians 2: 8 & 9*

Please put your name here

The fame of the Lord Jesus had spread far and wide. These ten men with leprosy had heard of Him even though they lived outside their village, away from the rest of the people. The disease they had was very infectious and could hardly ever be cured. They kept their distance and shouted loudly to Jesus.

**What did they say?**

	2
--	---

**What was Jesus' reply?**

	2
--	---

The ten knew what that meant! Only the priest could write out the certificate needed to proclaim them healed and free of leprosy. Then they would be able to return to their homes and families again, to live a normal life and find a job. So they set off and on their way they found something wonderful had happened to them. **What was it?**

--	--

	1
--	---

They must have all realized that the Lord Jesus had done this for them, but nine of them just continued on their way.

**Give A DETAILED ACCOUNT of what the other one did.**

	3
--	---

**What nationality was this man?**

--	--

	1
--	---

You might wonder why his nationality is mentioned! The Jews and this man's nation didn't agree - they were enemies! And yet this man was the one who returned to thank the Lord Jesus, who was a Jew. Jesus then asked where the other nine were, and why only one had returned to thank and praise God. No doubt God often asks the same question today. Very few people remember to thank God and praise Him for all that He does for them and all that He gives to them.

Write down two of the things which God has given you and for which you can be thankful.

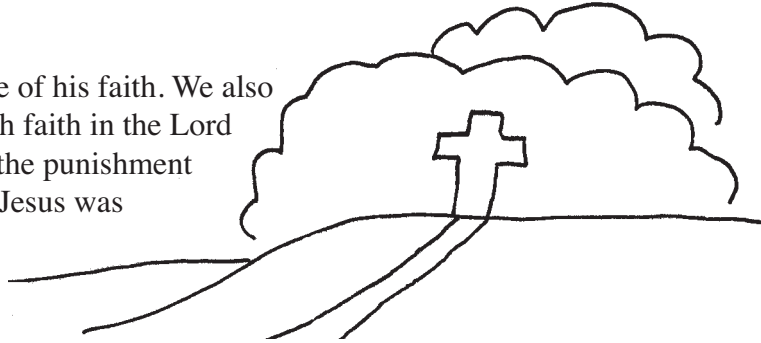

1.	
2.	

	2
--	---

What had made this man well (whole)?

	1
--	---

The man with leprosy was healed because of his faith. We also can be healed of the disease of sin through faith in the Lord Jesus. This means we can be saved from the punishment of our sin when we believe that the Lord Jesus was punished for us on the cross.

Write out the Key Verses.

	3
--	---

In the Key Verses:-

1. **CIRCLE** the word which shows God's love in saving us.
2. **UNDERLINE** the word which describes what we must have, in order to be saved.
3. What will *not* save us? **PUT A BOX AROUND** this word.
