 Key Verse

John 11: 25

Someone once said that the Lord Jesus was either “Mad, Bad or God”!

To make the claims which He did, and then not to have been able to carry them out, would have proved that He was **mad**.

To make extreme statements which later were shown to be untrue would have proved that He was **bad**.

However, He never claimed to be able to do anything which He did not afterwards carry out. He always spoke the truth. We therefore know that He is **GOD**.

He proved this in three great miracles. Fill in the spaces.

He raised the widow's _____ from the dead. (Luke 7: 12)

He raised Jairus' _____ from the dead. (Luke 8: 42)

He raised Mary and Martha's _____ from the dead. (John 11: 20-23)

	3
--	---

Look at Romans 1: 4 and complete this sentence.

Another proof that He is God was His own _____ .

	1
--	---

All these events proved beyond any doubt who the Lord Jesus really is. In the **Bible Reading**, we can also discover how great was His power.

Underline the correct words in the following paragraph.

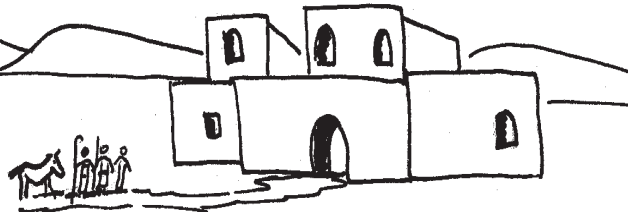

When the Lord Jesus returned, the crowd **HATED** / **WELCOMED** / **IGNORED** Him.

Jairus, a **FARMER** / **FISHERMAN** / **RULER OF THE SYNAGOGUE**,
SHOUTED / **BROUGHT A PRESENT** / **FELL AT JESUS' FEET**. He pleaded with Him to
 come to his house because his **WIFE'S MOTHER** / **SISTER** / **DAUGHTER** was dying.

She was **12** / **32** / **46** years of age.

	5
--	---

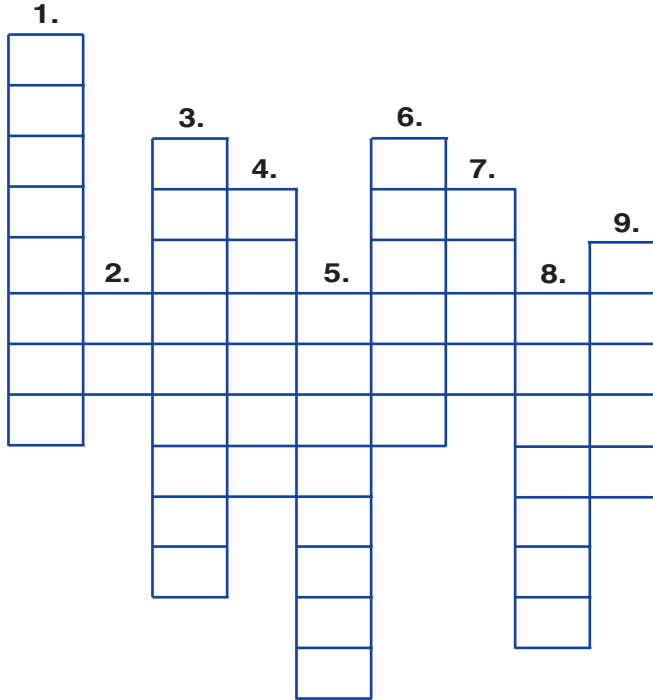

The Lord Jesus was so kind that He even stopped on the way to Jairus' house to help another person who was in great need.

WORD GRID

Fill in the Word Grid, based on the story, which once again shows the greatness of the Lord Jesus.

1. The people were _____ against the Lord Jesus. (See No. 9)
2. The Lord Jesus asked, "Who touched _____?"
3. The woman was _____ when she came to Jesus.
4. She had been ill for _____ years.
5. The Lord Jesus called her "_____".
6. All _____ that anybody had touched the Lord Jesus.
7. Nobody else could _____ the woman.
8. The woman explained why she had _____ the Lord Jesus.
9. _____ said, "Master, the people are crowding and pressing against you".

Look at the Word Grid and write the word which shows how promptly she was healed.

	5
--	---

Fill in the spaces to complete what the Lord Jesus said to the woman when she fell down before Him.

"Your _____ has healed you (made you whole). Go in _____."

	1
--	---

Eventually the Lord Jesus arrived at Jairus' house. In a few minutes, He showed His power over death, by bringing the girl back to life.

Write the correct names beside the following reactions to what happened.

Crowd of people

Jairus

Jairus and his wife

Who was afraid?

Who was weeping?

Who laughed?

Who was astonished or amazed?

	4
--	---

Write out the **Key Verse** which explains that the Lord Jesus has great power, even over death.

	1
--	---

God sees us as dead in His sight because of our sinfulness. But as the **Key Verse** says, we can find new and eternal life when we believe in Him. Since the Lord Jesus had the power to bring Jairus' daughter back to life, He also is able to bring us out of spiritual death and give us eternal life.

The Lord Jesus had just finished one of His greatest sermons. We call it 'The Sermon on the Mount'. Crowds had gathered to hear Him. He was becoming famous.

What was wrong with the first man who came to Jesus?

What did he do when he came to Jesus?

What did he call Jesus?

What did he believe Jesus could do?

In those days there was no known cure for this disease and it was regarded as very infectious. People with this disease were unable to work or live at home. No one would come near them. However, it is marvellous to see that the Lord Jesus was willing and ready to help such a man as this!

Three marvellous things then happened. Complete each sentence IN YOUR OWN WORDS and then put them in the correct order by numbering them 1 - 3.

- Jesus said, _____ .
- Immediately _____ .
- Jesus reached out _____ .

	3
--	---

The man was required to go to the priest and if the priest was sure that he was healed, then he would be able to return to his family and work.

	4
--	---

Look at **Luke 7: 1-9** which gives additional details. Compare the two stories.
Put a check or cross by the following statements to show if they are right or wrong.

Jesus was angry when He heard that the centurion did not feel he could invite Him to his house.

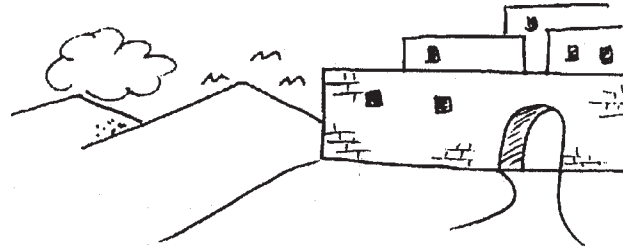

Jesus was amazed at the man's great faith.

The centurion was kind to the people and had built a synagogue for them.

The centurion showed unusual concern for his servant.

	4
--	---

The Lord Jesus was delighted with the faith of this man. He had believed that the words of the Lord Jesus were powerful enough to bring healing, even if the Lord wasn't present Himself.

Write out the **Key Verse** and **UNDERLINE** the word which means the same as 'had faith'.

	1
--	---

The Lord Jesus has made many great promises which are contained in the Gospels. We need the faith of the centurion to believe that everything He has said, HE WILL DO!

Look up these two references and write out the verses to discover two of these great promises which you can claim today.

So far in these studies, the power of the Lord Jesus has been seen in the healing of individuals. On each occasion He healed them completely. This miracle is different, because thousands saw it and were blessed by it.

- The _____ were with Jesus at that time.
- It was near to the Jewish feast of the _____ .

There is something else special about this miracle. It is the only one which is recorded by all four Gospel writers. Each gives a slightly different account, just as different newspapers do for any particular news story.

Read Matthew 14: 14.

Matthew tells us the reason why the Lord Jesus healed the sick in the crowd and later fed them. It was because of His _____ .

	1
--	---

Read Mark 6: 34.

Mark explains that the Lord saw the people as sheep who did not have a _____ .

These writers tell us that the disciples wanted Jesus to send the crowd away, as evening approached. The Lord Jesus, however, had other ideas!

What, according to John's Gospel, did He ask Philip?

	1
--	---

Now put these numbers in the spaces in the following paragraph.

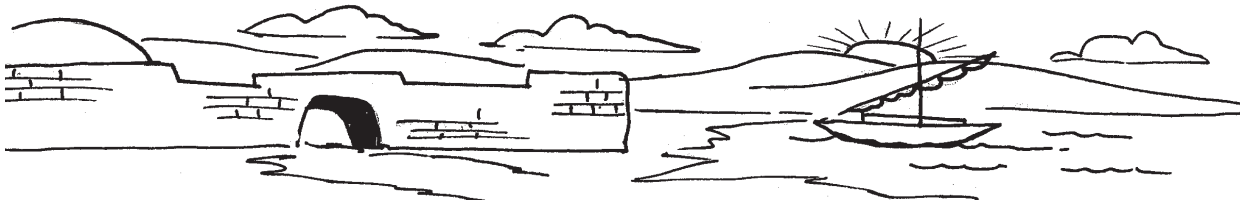

5 5000 12 200 cents (8 months' wages) 2 12

Philip said that _____ would not buy enough bread for the crowd. Andrew said a lad had _____ loaves of bread and _____ fish. The Lord Jesus told everybody to sit down. There were at least _____ men. When the Lord had given thanks, the _____ disciples distributed the bread and fish.

	3
--	---

They then gathered up the pieces that remained and there were _____ baskets full.

The previous studies have shown to us that the Lord Jesus had power over death and disease and that He could heal by touching somebody and also from a distance. Now thousands of hungry people had been given sufficient to eat, and one boy's lunch had fed a multitude. When the disciples had been unable to do anything, the Lord Jesus could provide for everybody.

This reminds us that we should trust God to provide for our daily needs.

From **Matthew 6: 31 & 32**, write **IN YOUR OWN WORDS** what our "Heavenly Father" knows about.

	1
--	---

The Lord Jesus also provides for our spiritual needs. He helps Christians to grow and become strong.

Write out the **Key Verse** which tells us that the Lord Jesus can satisfy all our needs.

	2
--	---

Link the two parts to make the following sentences correct.

The people thought	try to make Him a King.
Jesus knew they would	to find a quiet place to pray.
Jesus preferred	only a Prophet could do such a miracle.

	3
--	---

True Christians can find all their needs met in the Lord Jesus. His unlimited power is always available to us if we trust Him fully.
